

THE ECONOMETRIC SOCIETY

An International Society for the Advancement of Economic Theory in its Relation to Statistics and Mathematics
Founded December 29, 1930
Website: www.econometricsociety.org

MEMBERSHIP

To join the Econometric Society, please go to www.econometricsociety.org. All Econometric Society memberships run on a calendar-year basis from January 1 to December 31, but may be purchased at any time of the year. In the case of print subscriptions, all issues published earlier in the calendar year will be promptly sent. Any membership purchased between November 15 and December 31 covers the end of that calendar year and the following calendar year so will be charged at the following year's prevailing rates.

MEMBERSHIP BENEFITS

- Full text online access to *Econometrica* back to 1933
- Full text online access to papers forthcoming in *Econometrica*
- Print subscriptions include bundled print copies of the Econometric Society Open Access journals, *Theoretical Economics* and *Quantitative Economics*
- Free submission of papers to Econometric Society Regional Meetings and World Congresses
- Free online access to Econometric Society monographs, including the volumes of World Congress invited lectures
- Voting rights in the Econometric Society Regional Standing Committee elections
- Ability to nominate members for election as Fellows
- Access to travel grants for Econometric Society World Congresses
- 40% discount on all Econometric Society monographs
- 20% discount on all Wiley-Blackwell publications

MEMBERSHIP RATES
